## Refinance And Save

Jessica and Teresa want to help you save money on your auto loan!

**Did you know if your car has fewer than 12,000 miles, it may qualify for a new auto loan rate?**

Refinancing a high-rate auto loan from another lender to Audubon FCU may lower your annual percentage rate, reduce monthly payments and extend your loan term. Current-year or previous year model with 12,000 miles or less and minimum loan of \$12,000 required.

Got an older model with high interest and over 12,000 miles? We can probably help you out there too. Give us a call or stop by for a visit with Jessica or Teresa!

\*Must meet credit requirements.

**The Snarky look** you get when someone is complaining about their bank and you're with Audubon.
