**Ah, Crap!  
 We've Got A  
 Loan For That!**

Typically, a loan is a better option to pay for unexpected expenses than putting it on a high interest credit card. So, the next time you think "Ah, Crap" remember, Audubon Federal's Got A Loan for That! Contact us for details!

## Tap Into Your Home's Equity

And get things done!  
 Audubon Federal offers great rates on Home Equity Loans and Lines of Credit. A phone call is not a commitment to see what payment amount would fit your budget. Imagine getting those repairs and updates finally done on your home. If you're not comfortable selling now with the high price of homes and interest rates, could you turn the house you're currently in, into that dream home? A Home Equity Loan could be the way!

**Trooper Corey King with the State Police will be at Audubon Federal, Thursday, April 25th for their Annual "Cover the Cruiser" Event - you'll also be able to purchase tickets for the State Police Mustang Drawing!**  
 We are working on a party! So, watch for more details on our facebook page or by text.

# 24/7 CONTROL RIGHT AT YOUR FINGERTIPS

Prevent Fraud. Control Spending. Review Transactions.

## Teens...

### Teen Checking Accounts

Once your child takes on that first job, they'll in all likelihood need a checking account for that pay to go into and we've got them and you covered. While this will be in their name, you'll still be joint with card control and supervision.

### Debit Card

Securlock (set up notices, shut card off and turn it back on when ready, and more!)

### Online and mobile banking app

(They'll have no legitimate reason not to know how much money they have) This account can be opened in person with them present, which we highly recommend to make this more relevant to them. Or online.

### Don't forget about our Sweet 16 Auto Loan!

The whole year your teen is 16 we'll give you the absolute best rate out there for their new or used ride! Just give us a call, we can even pre-approve you before the two of you start the hunt for it! Be sure to get it done before they turn 17!

### 17-year-old on your hands?

Did you know you can add them to your AFCU auto loan? Wondering why you would? Because although they would not be responsible for the loan, their credit score will benefit from those payments being made on time. We highly suggest it is on the car they drive and understand the responsibility of.

**3.50% APY\***  
**Special Youth Savings**

By helping your child take their first steps on their financial journey we hope to help you create the foundation for their success when it comes to managing their money and building their credit foundation once they turn 18!

While there are several steps along their journey, the first is to open their **Audubon Youth Savings!** This is a new account in their name with you as joint - **it offers an amazing interest rate of 3.50% APY\*** once they save a minimum of \$500. Plus, they will earn that interest up to \$2,500 until they turn 18.

\*Annual Percentage Yield. Effective January 1, 2024 and subject to change without notice. A parent or guardian must have an existing checking account with AFCU. This is a new savings account; current saving accounts will not switch over automatically. Any funds over \$2,500 will receive the basic savings rate listed on our website.

# APRIL IS YOUTH MONTH

**April Deposit Special** - For each deposit\* made into your child's account in April, they'll be entered in a drawing to win \$100 (drawing to be held April 30, 2024).

\*Minimum deposit of \$5 of at least 12 participants.
